

Mecka Lind: *Dojjan and Mozart in Rio.*

For Ages 6-9

Dojjan's grandmother wins a trip for four to Rio when playing Bingo. But she would rather win coffee and wonders if she can exchange the trip for a lifetime supply of coffee. In any case she doesn't know anyone who would go to Rio with her. But Dojjan puts a stop to her plans - of course she should go to Rio, the capital of football. Dojjan, Dad and Mozart can take the other tickets. And without further ado Grandmother, Dad, Dojjan and Mozart set off for Rio. However, nothing is ever straight-forward when Dojjan is involved...

Dojjan and Mozart in Rio is the third book in Mecka Lind's greatly acclaimed series of Dojjan Bengtsson and her friend Mozart. Mecka Lind lives in Malmö in southern Sweden but has travelled widely in order to write about how children live in different parts of the world.
